

**PUBLIC MEETING OF COUNCIL OF THE VILLAGE OF MARCELIN HELD
ON TUESDAY, AUGUST 8TH, 2017 AT THE MARCELIN COMMUNITY HALL.**

The following were present to present material and answer questions: Dan DeGirolamo, Vicky Wang, Dave Lin, Mayor Dennis Ferster, Councilor Tom Hatfield, Councilor Lynn McCormick, Councilor Dami Schwartz, Councilor Brian Diehl, CAO Leanne McCormick.

There were 39 people of the public present.

This meeting was held to notify the residents of the Village of Marcelin of intentions by GreenMed Producers Inc. to apply for licensing for production of cannabis for medical purposes and construct a commercial greenhouse facility within the Village limits. The vision is to bring viable industry to Marcelin to create jobs and opportunities for the residents as well as intent to help improve and grow the village infrastructure to facilitate future industry.

All activity will be strictly regulated by Health Canada. The final product will be dried and shipped to distributors and manufacturers who will further process in capsules, oil, etc. for the distribution to clients. Dan DeGirolamo and Vicky Wang will be responsible for the administration and communications on behalf of GreenMed Producers Inc. to keep the Village of Marcelin council up to date on the progress. All questions and concerns by residents or council can be directed to them.

GreenMed Producers Inc. are looking to be the 4th licensed producers in Saskatchewan.

Meeting adjourned at 7:53pm.
